

Elsewhere at Sandy Lane

Region: Sandy Lane Sleeps: 12 - 20

Overview

Elsewhere is an exceptionally beautiful villa that sprawls on the Sandy Lane Estate on Barbados' famed Platinum Coast. Built as a "labour of love" twenty years ago, it has Mediterranean style architecture with stucco walls and terracotta tiled roof that encompass terraces, balconies, patios and courtyards.

The villa extends over two wings affording plenty of privacy to guests. There is the Main House with six bedrooms, the Garden House with another two bedrooms and finally the Pool Cottage that is home to bedrooms. Each wing has adjoining gardens and its own special terraces and lounging areas. All together, there are ten en-suite bedrooms that sleep twenty people.

Between the main house and the east wing is a freeform swimming pool adjoining an inviting covered patio furnished with deep sofas, board games and a bar. Those wishing to head to the beach benefit from privileged access via a card to Elsewhere's cabana on the Sandy Lane beach next to the Sandy Lane Hotel. The Sandy Lane Hotel's Spa and Tennis Courts are just around the corner.

The in-house chef likes to pamper guests, turning each meal into an adventure by serving different dishes atop different crockery in different locations. After remaining closed for a year for refurbishment, the villa has only just re-opened. Designer Lynne Pemberton has done an exquisite, top-of-the-line makeover using Louise Bradley chandeliers, Ralph Lauren furniture and Missoni accessories, turning the interiors into stunning yet inviting spaces. The chef, housekeeper and gardeners take pride in making Elsewhere a home away from home.

Once you have stayed here, no matter where you go, you will always want to be 'Elsewhere'.

The villa is located on the Sandy Lane estate and includes beach access at the designated area for villa owners. The facility includes chaise lounges, umbrellas, snack bar, washrooms, showers, and some villas have a dedicated cabana. The beach is located on the left of the Sandy Lane Hotel Beach. Please note villa guests do not have use of the Sandy Lane hotel facilities but can make reservations for the restaurants and the golf course at the hotel, additional charges will apply.

Location & Local Information

Elsewhere has the ability to magically transport you, with treetop views, that lead to the heaving ocean beyond. The garden was designed by the Venezuelan landscape architect, Fernando Tabora who has interwoven a series of gardens in varying shapes and sizes to form a continuous whole. In the process, vistas have been created. There are shaded nooks and crannies, and features such as a Japanese bridge over a waterfall and a running stream that flows into a lily pond full of koi-carp. At night, tree-uplighters and subtle fairy lights wreak their magic, and the garden becomes a perfect place for a party.

When visiting Barbados, the first thing you are sure to notice are the gorgeous and renowned flat white sand beaches. On the west coast of Barbados, miles of coral shore beaches and fine white sands stretch along a hypnotising turquoise sea. The West Coast of Barbados is also fringed with countless breath-taking Coral Reefs to provide excellent snorkelling and scuba diving opportunities. The South Coast also offers something for everyone, and is a curious mixture of the Caribbean Sea and the Atlantic Ocean. Here you can swim in calm waters, snorkel over the inshore reefs and tidal pools, and at the southernmost tip of the island, you can windsurf.

Whilst on Barbados, a taste of the island's rum is a must! The isle has been producing rum for over 350 years, and it is recognised internationally for its quality. Many tours and taste sessions are available at the local distilleries.
