Location & Local Information

The purpose-built resort of Protaras offers visitors beautiful beaches that hug the rugged coastline, many of these beaches have Blue Flag status meaning they are clean and safe for the whole family. A range of bars and restaurants can be found along the main street. Among the most popular beaches are Konnos Bay and Fig Tree Bay, here a range of watersports can be found and there is a fun little island people can swim out too.

For those looking for a more lively trip, the popular resort of Ayia Napa is just a 10-minute car journey away. A larger range of clubs and bars can be found here along with fourteen more Blue Flag beaches. While, the resort is often associated with club nights and foam parties, there are also many quieter, more sophisticated cocktail bars on the seafront. There is plenty of family-friendly live entertainment here too.

Major nearby attractions include the ghost town of Varosha, just a 40-minute drive from Protaras, it once was a popular tourist resort but was deserted overnight during the Turkish invasion and is now an eerie but must-see spot. Just a short boat trip away is Cape Grecko park, perfect for nature lovers being an excellent spot for snorkelling as well as offering visitors excellent views from the top of the massive rock!
