Region: Puerto Del Carmen Sleeps: 6 - 8

Overview

With all you need and more on your Spanish escape, Villa Canwell is the perfect place to call home as you explore Lanzarote. Exquisitely finished both inside and out, its location offers peace whilst remaining in walking distance of vibrant parts of the area!

Simple, natural material, such as stone and wood, have been incorporated throughout the villa to offer amazing interiors and gorgeous exterior space! Its location means that it affords lucky guests, vistas of the sea between the island and the island of Fuerteventura and the surrounding mountains!

To take advantage of the constant sunlight that bathes the island, Villa Canwell has adopted an open-plan layout with large windows and floor-to-ceiling patio doors that allow sunlight to pour into the villa! So, as well as lounging on the comfort of plump sofas, surrounded by loved ones and family as you take in a movie on the mounted television, you will also be able to whip up a feast for the whole crew to gorge on in the fully-equipped, chic kitchen! This open space even allows enough room for a bar and cushioned stool area where freshly prepared meals, snacks and beverages can be enjoyed with views through the open patio doors!

The large master bedroom sits by the patio and offers instant access through doors to a beautiful outdoor seating area. Indoors, the bedroom contains a king-size bed you can sink into and a sleek en-suite bathroom, to add classy convenience! The second bedroom offers twin single beds which can be assembled into a double bed and another en-suite bathroom. The final two bedrooms both offer twin single-beds and whilst one also offers en-suite facilities, the other room allows for quick access to the family bathroom!

The incredible scenery around the villa can either add to the relaxation you can achieve outdoors or as a majestic backdrop for your entertainment activities! Outdoors, tables and chairs help aide alfresco meals with a view, whilst sunbathers will relish opportunities to stretch out on the loungers around the pool, with the choice of a parasol! The pool itself has been gloriously designed, with Roman steps leading you into its waters for a swim, soak or splash! Or take to the ping-pong table for beverages and competitive games the whole troupe can enjoy. But nothing beats admiring glorious sunsets, as you sip bubbly in the outdoor jacuzzi of the magnificent Villa Canwell.

Location & Local Information

Spain blends culture and heritage with everything it presents! Combine this with tropical settings and you are presented with The Canary Islands! With year-round spring-like temperatures and ever-present sunshine, you may forget that you're still in Europe!

Lanzarote remains one of the most visited of the Canaries, and once you get here, you will soon find out why! With an immense amount of things to do, see, eat and drink, you will find it hard to get bored or feel unsatisfied in this wondrous isle!

Your location in Los Mejones means that you are offered unrivalled seclusion when you are in the villa, in a nice and upmarket area. The location also affords immediate access to the town, harbour, piers and the beach so you may not even have to drive! If you do, you can rest assured that even the closest city, Arrecife is just under twenty-minutes away!

For dining, why not head into the Old Town? It sits just a gentle stroll from Villa Canwell and takes full advantage of the coastal settings by presenting a multitude of seafood restaurants serving freshly caught fish! Or head to any traditional Spanish restaurants if you seek more of a spectrum of tastes. Lanzarote and your location, in particular, offers both native and international dishes, as well as restaurants that combine both!

Whilst in the Old Town you can visit the harbour-side for fantastic views across the sea and even boat hire to fully navigate the waters and become the master of your sea voyage. Or for more of a thrilling encounter, jump on a banana boat or inflatable dinghy and try to hold on as you are whipped and crashed off the waves! The area also offers activities for solo daredevils including jet-skis and parasailing and even a fly-board, which allows users to use water jets to propel into the sky!

A stretch of sand lines the southern coast and passes through Puerto del Carmen, offering different settings across the shores. Grab a parasol and sun-lounger and sit on the beach to soak in the rays, whilst an array of amenities for both children and adults compliment your stay! Why not sip a cocktail whilst you sway in a hammock! Other parts of the beach offer more idyllic and serene scenes, with less crowded areas, which even yoga practicers come for their sessions. Aside from watching their peace evoking movements, you can also gaze at sunsets across the beautiful and mesmerising sea!
