Region: Dubrovnik Riviera **Sleeps: 9**

Overview

Villa Orvnik sits quietly amongst the ancient olive trees, impressive palms, thick laurel shrubs and citrus trees of Dubrovnik. Trees hide the property from the nearby beach and harbour, so you can enjoy your own privacy with the soft stir of life nearby! This is a great spot for those who want to enjoy the culture and charm of Dubrovnik, as well as the tranquillity available outside of the city walls; balancing the busy city streets with the peace and quiet of your own villa.

Recently renovated, Villa Orvnik blends character and charm with new modern features. You can enjoy exposed beams and traditional features one moment, then modern bathrooms and contemporary fittings the next. When you arrive, the place feels warm and welcoming, designed for larger groups or families that want to make themselves at home; cooking, relaxing and enjoying time together away from day to day disturbances.

Set over three floors, there is a true Mediterranean feel to the villa, with light colours and tasteful furnishings. On the ground floor, you can make your way through each room, enjoying arched doorways and exposed stonework which is well complemented by the modern renovations. Offering a bright dining room, cosy living room with a fireplace and a modern kitchen there is plenty of room for everyone to spread out, with windows offering constant glances out to the terrace and pool and allowing sunlight to brighten up the living spaces.

The five beautiful bedrooms have been designed to be fully climate controlled, with air-conditioning and central heating systems that you can set to your own comfort. On the first floor, there are two master bedrooms, both with king-size beds and modern en-suites. The remaining three bedrooms are located on the top floor, including a single room and two queen-size rooms, one of which offers a small but charming terrace.

The whole villa is surrounded by an extensive and luscious garden with terraces spread over different levels so you can move about through the day or spread out as a group, each enjoying moments of privacy. Breakfast is best enjoyed on the front terrace in the morning sun, whilst the large terrace at the back of the villa lends itself to celebrations and evening meals!
